FOREVER HELD

Evergreen & Candlelight

A gentle way to keep them close this Christmas: a candle sign for the table, cards for sharing memories, and keepsake ornaments for the tree.

BEFORE YOU START

Download the files, then open each one in the free Adobe Acrobat Reader app (iPhone, Android or computer). Most PDF apps work, but Adobe keeps the lettering exactly right.

Tap any wording and type over it. The sample names and words show you what goes where. Leave a line empty if you don't need it.

Save, then print the saved copy at 100% / actual size on US Letter paper. A matte cardstock (65-110 lb) looks and feels lovely.

01 TABLE SIGN

The sign is 8 x 10 in. Print page 2 on US Letter and trim at the grey marks, or ask a print shop for an 8 x 10 print of page 1. It fits a standard 8 x 10 frame. Set it beside a real or battery candle.

02 MEMORY CARDS

Each card file has two pages: one card to check your wording, and a print sheet with four cards. Type once and every copy updates. Cut along the small grey marks at the edges. Put one at each place setting and invite everyone to write a favorite holiday memory. Read them aloud, or keep them in a box to open each year.

02B MEMORY CARDS (INK-SAVER)

The same cards on a light background, for home printers that run low on ink.

03 ORNAMENT CARDS

Four ornaments per sheet. Cut along the dotted arch, punch the small circle and tie with ribbon. Cardstock works best.
