FOREVER HELD

Longest Night

For Blue Christmas and Longest Night services, Hanukkah evenings and the winter solstice. A quiet set for anyone carrying an empty place into the season.

BEFORE YOU START

Download the files, then open each one in the free Adobe Acrobat Reader app (iPhone, Android or computer). Most PDF apps work, but Adobe keeps the lettering exactly right.

Tap any wording and type over it. The sample names and words show you what goes where. Leave a line empty if you don't need it.

Save, then print the saved copy at 100% / actual size on US Letter paper. A matte cardstock (65-110 lb) looks and feels lovely.

01 TABLE SIGN

The sign is 8 x 10 in. Print page 2 on US Letter and trim at the grey marks, or ask a print shop for an 8 x 10 print of page 1. It fits a standard 8 x 10 frame.

01B TABLE SIGN (INK-SAVER)

The same sign with a light background, for home printers.

02 PROGRAM

Prints on US Letter, landscape, double-sided: flip on the SHORT edge. Fold in half to 5.5 x 8.5 in. Add the names your community is remembering on the back, the order of service and candle words inside. Print one test copy first.

03 CANDLE-LIGHTING CARDS

Each card file has two pages: one card to check your wording, and a print sheet with four cards. Type once and every copy updates. Cut along the small grey marks at the edges. Hand them out as people arrive, so each person can write a name before the candles are lit.
