FOREVER HELD

Harvest Table

For the first Thanksgiving with an empty chair: a sign that says we saved a seat for you, cards for sharing what you're thankful for, and matching place cards.

BEFORE YOU START

Download the files, then open each one in the free Adobe Acrobat Reader app (iPhone, Android or computer). Most PDF apps work, but Adobe keeps the lettering exactly right.

Tap any wording and type over it. The sample names and words show you what goes where. Leave a line empty if you don't need it.

Save, then print the saved copy at 100% / actual size on US Letter paper. A matte cardstock (65-110 lb) looks and feels lovely.

01 EMPTY-CHAIR SIGN

The sign is 8 x 10 in. Print page 2 on US Letter and trim at the grey marks, or ask a print shop for an 8 x 10 print of page 1. It fits a standard 8 x 10 frame. Set it on the empty chair or at their place at the table.

02 THANKFUL CARDS

Each card file has two pages: one card to check your wording, and a print sheet with four cards. Type once and every copy updates. Cut along the small grey marks at the edges. Invite each guest to finish the sentence about the person you're missing.

03 PLACE CARDS

Four per sheet. Cut on the grey marks, fold along the dotted line so the name stands up. Use the top line for "In loving memory" on their seat, or clear it and type each guest's name.
